25 SEP 2025

At the outset, the Chairman greeted and welcomed the members into the 73rd meeting of the Board of Governors. The Chairman shared some relevant points of discussion as these were in the IIT Council meeting, held on August 25, 2025. Those were about the government vision that the IITs be come-up as self-reliant by generating their own funds. The government's direct funding likely to be reduced in phases. The Chairman appreciated the progress and ranking improvement of the Institute. It was advised that the institute must set the targets for the next 05 years, and move forward to achieve these goals, and generate more funds through research outcomes, alumni network, and industry to become self-reliant. Suggested that funds from donations be professionally managed like some other IITs are doing, the research be made outcome-based and beyond the labs. That should be shifted from basic research to industry-oriented research, to translate the research from TRL-3 to TRL-7. The Board suggested to adopt a 50:40:10 : : Alumni Funding : CSR : Philanthropy for fund generation. Chairman informed that the IIT Council had applauded the IIT Jodhpur efforts on the usage of the regional language. A similar approach can be planned at IIT Roorkee. The research must be address relevant challenges to the region in which the IIT is located. In a way, the IIT Roorkee should also focus on evolving the solutions for Landslides, Cloudbursts, Earthquakes, and Water & Dam management, etc. The Board advised to take all necessary steps to ensure the quality of its students in terms of morals, ethics, and innovation to encourage them to take the industry-oriented projects and startups with similar efforts for the faculty by facilitating them to be at par with overseas parameters.

Item No.73.0: To receive an overview report of the Director.

A brief overview report of the Director on Convocation-2025, ongoing research activities, technology transfers, partnerships and agreements & visits of the partnering foreign universities, faculty selections, honours & fellowships, outstanding recognitions to faculty members, and donations received were the points of the Director's report. The Director also apprised the Board on the ongoing initiatives of IITR on the usage of regional languages Hindi and Sanskrit for students, and also a separate session on Hindi learning for International Students.

The Board considered the report as at **Appendix-A**, and appreciated the achievements. The Board while taking the presentation of the Director report, the Chairman advised that the DoRA be invited to the next meeting for detailed status on funds being raised by DoRA.

The agenda was then taken up.

Comments received on the financial items from the Integrated Finance Division, MoE vide letter F.No.1-3/2024-IFD dated 02nd September 2025 were considered during the deliberations.

Further, the Board resolved that a letter of intent from the Industry be asked in those cases of additional funding.

25 SEP 2025

Item No.73.11: To consider the proposal to release of salaries by taking a loan on interim measure from the Institute resources (PDF, DDF, SRIC funds), in case of delay in the release of the funds in supporting projects.

RESOLUTION No. BG/22/2025: The Board considered the recommendations of the Finance Committee and resolved that an interim provision of the loan to release salaries to the fellowship positions for a period of three months be agreed.

Further, the Board resolved that the interim provision be invoked only in cases of delay in release of funds in supporting projects. The loan be charged to the PDF of the concerned faculty. In case of non-availability of the funds in PDF, the SRIC fund may be considered for such a temporary loan. In either of the cases, the loan will be settled by raising claim bills against the manpower head. No Government grants be utilized for the loan.

Item No.73.12: To refer the recommendations, and subsequent report on specific anomalies, submitted by the Mathur Committee way back in 1995 & 2001 respectively to re-examine & consider a case of Shri B.M. Sharma, retired Senior Superintendent, Institute of Paper Technology (now DPT), in compliance of the direction dated 05.05.2025 of the Hon'ble High Court of Uttarakhand, given in the special appeal No. 291/2020.

The Board re-examined the matter in totality and observed the following facts of the case:

- (i) Mr. B.M. Sharma joined on the post of Hostel Supervisor on 01.04.1982 in the erstwhile University of Roorkee.
- (ii) During UOR period, the four members standing committee chaired by Prof. B.S. Mathur, submitted a comprehensive report on promotional scales of all the then non-teaching employees in the cadre of ministerial, technical, library, workshop, construction, and cadre of IPT Saharanpur etc., which was notified on 06.12.1995.
- (iii) The petitioner Shri B.M. Sharma post was also included in the report with a promotional avenue in selection grade. Later on conversion of UOR to IIT Roorkee on 21.09.2001, his post was mapped at higher Pay Scale. Then further to that higher pay scale, he was granted a promotion in an another higher scale of pay.

He was finally then superannuated on 31.07.2010 in Pay Band-2 with Grade Pay-4800 after rendering about his 28 years of service in the Institute.

- (iv) Noted that during the process of conversion, some fast and instant decisions were taken in this case which raised the doubt. At that point of time wherein a committee was constituted on 23.10.2001 which submitted the report on 13.12.2001 with opening remarks "The Committee recommends for the sympathetic consideration...", and the same were approved on 14.12.2001 by the outgoing authority. That recommendation was not accepted for execution, and another three members committee was constituted to examine those recommendations critically. The then committee however in its report submitted on 19.12.2005 that "Sri B.M. Sharma is working as a Hostel Supervisor cum Caretaker at D.P.T. No such post exists at the Roorkee Campus where Hostel Supervisors as well Caretakers are posted from out of Group-C Ministerial Employees. His case has been compared with that of Assistant Supdt. at Roorkee Campus. The Pay Scale offered to and accepted by Sri B.M. Sharma does not merit any upward revision." That report was placed in the Finance Committee and the Board in the meeting held on 09.05.2006.

Based on all the above mentioned facts and backgrounds of the case, and the submission of the petitioner Shri B.M. Sharma in his the then representations, the Board did not find merit in representation of the petitioner, as the fact remains that he was appointed as Hostel Supervisor and accepted that post with all the subsequent promotions. No post can be upgraded without following a process of recruitment simply on the basis of the qualifications of the individual.

RESOLUTION No. BG/23/2025: The Board resolved that the case of petitioner does not have the merit, and so his plea in the representation is rejected.

25 SEP 2025

Item No.73.13: To consider the proposal of applicability of the minimum qualification to a Staff Nurse for Pay Level-07 w.e.f. 01.01.2006.

RESOLUTION No. BG/24/2025: The Board considered the recommendations of the Finance Committee and resolved to grant the same entry Pay Level at PL-7 at par with other similarly placed Staff Nurses in the Institute Hospital, from the date she acquired the required minimum experience of two years, including the experience at hospital in IIT Roorkee.

Item No.73.14: To consider changes in the policy on Lien, and extension of the provision of the Deputation/ Foreign Service to the non-teaching regular employees (Group A, B & C) of the Institute.

RESOLUTION No. BG/25/2025: The Board considered the proposal and resolved that the following comprehensive and inclusive guidelines for Lien, Deputation and Foreign Service to the non-teaching regular employees (Group A, B & C) be approved:

- (i) Lien be granted to the non-teaching employees who have rendered at least three years of regular service at IIT Roorkee.
- (ii) Lien normally be granted for a period of one year. In the cases where the probation in offer letter itself is either of two years or probation of the employee during lien could not be cleared otherwise than of in case of any disciplinary action, in the newly joined institution within a period of one year, such employee may be permitted to retain the lien in the parent institution for one more year. However, before granting such extension he will be required to give an undertaking to abide this condition along with prior vacation of the institute residence. No further extension of lien beyond the period of two years will be considered for whatever circumstances.
- (iii) In case of regular employee of the institute selected for the posts in PL-14 or above in IITs/CFTIs, the lien can be granted for a period of upto five years or as per the offer letter, whichever is earlier, provided any of such employee have rendered at least five years of regular service at IIT Roorkee.

25 SEP 2025

- (iv) Deputation/ Foreign Service similar on the lines of lien will be permitted, limited to two years during the entire service provided the application is forwarded by the Institute or NOC be granted at time of submission of application. The deputation/ foreign service will be permitted only for the analogous or higher post, it will be restricted to one time during the entire service.
- (v) In the event an employee overstay to the permitted period of lien/deputation/ foreign services, his/her lien at IIT Roorkee will be terminated, and he/she will be deemed to have resigned from the post. In all such cases, an undertaking to abide by this condition be taken from the employee at the time of forwarding of his/her application to other department/offices, and invariably be mentioned in the office order granted the permission of lien to join other institute / organization.
- (vi) In cases of premature repatriation or return after availing a part of the duration of permitted lien/term of deputation/foreign service, the rest part of the permitted period may be requested after the 'cooling off' period of five years from the date of re-joining IIT Roorkee. However, in case of service in the North-East States, the cooling-off period will be waived.
- (vii) The applicable contributions, such as Leave Salary Contribution, Pension Contribution (for OPS), or Employee/Employer contribution towards NPS, as the case may be, shall be paid by the employee during the period of deputation/ foreign service, if not borne by the borrowing organization, as per Central Government rates.
- (viii) Permission to the lien/deputation will not be claimed as a matter of right, and in any of such case; the decision in the interest of the Institute taken by the competent authority will be final.

Further, the Board resolved that no employee will be allowed to retain his /her allotted institute residence beyond one year of lien, strictly in terms of the House Allotment Rules. Any extension to lien beyond one year will only be considered once the employee concerned vacate the allotted institute residence, as that will not have consecutive effect on the maximum permitted limit for retention of the institute residence.

25 SEP 2025

Item No.73.15: To consider the recommendations of the HBA committee for granting a relaxation in the cost ceiling for House Building Advance in the individual case of Prof. Bharat Tandon, Assistant Professor, Department of Chemistry.

RESOLUTION No. BG/26/2025: The Board considered the recommendations of the HBA committee and resolved to grant a relaxation in the cost ceiling for House Building Advance in the individual case of Prof. Bharat Tandon, Assistant Professor, Department of Chemistry.

Further, the Board resolved to delegate the power of relaxation in cost ceiling to the Director as given in the Rule 4(iii) of the HBA Rules.

The meeting ended with a vote of thanks to the Chair.
