The Chairman (Director) welcomed the members to the 45th Meeting of the Senate.

Before taking up the agenda, the Chairman thanked the under-mentioned outgoing Senate members and recorded appreciation for their valuable contribution in the meetings of the Senate.

1. Prof. R.C. Agarwala, Department of Metallurgical & Materials Engineering
2. Prof. H.R. Wason, Department of Earthquake Engineering

The Chairman also welcomed the under-mentioned new members to the Senate and hoped for their valuable contributions and active participation in its functioning:

1. Prof. Ramasare Prasad, Department of Biotechnology

11 DEC 2012

2. Prof. B. Prasad, Department of Chemical Engineering
3. Prof. K.S. Hari Prasad, Department of Civil Engineering
4. Prof. Akhil Upadhyay, Department of Civil Engineering
5. Prof. Z. Ahmad, Department of Civil Engineering
6. Prof. A.K. Sen, Department of Earth Sciences
7. Prof. Yogendra Singh, Department Earthquake Engineering
8. Prof. Kirat Pal, Department of Earthquake Engineering
9. Prof. Dharmendra Singh, Department of Electronics & Computer Engg.
10. Prof. S.P. Singh, Department of Paper Technology
11. Prof. Y.S. Negi, Department of Paper Technology
12. Prof. Dharam Dutt, Department of Paper Technology
13. Prof. (Mrs.) Kusum Deep, Department of Mathematics
14. Prof. (Mrs.) Tanuja Srivastava, Department of Mathematics
15. Prof. N. Sukavanam, Department of Mathematics
16. Prof. S.P. Yadav, Department of Mathematics
17. Prof. Pradeep K. Sahoo, Department of Mechanical & Industrial Engg.
18. Prof. R.P. Gakkhar, Department of Mechanical & Industrial Engg.

The Senate noted the communication received from the following members for not attending the current meeting.

1. Prof. Karmeshu, Professor & Dean, Jawaharlal Nehru University, New Delhi
2. Prof. Himanshu Joshi, Department of Hydrology.

The Agenda was then taken up:

Item No.45.1: Confirmation of the minutes of the 44th meeting of the Senate held on 19th July 2012.

The minutes of the 44th meeting of the Senate held on 19th July 2012 were confirmed.

Item No.45.2: Receive a report on the actions taken to implement the decisions taken by the Senate in its 43rd meeting held on 22nd /29th February 2012 and 44th meeting held on 19th July 2012, respectively.

The Senate noted that the actions have been taken on the decisions taken by the Senate in its 43rd Meeting held on 22nd/29th February 2012 and 44th meeting held on 19th July 2012, respectively.

11 DEC 2012

Item No.45.3: Presentation on the report of JEE-2012.

Noted. Prof. U.P. Singh, Chairman JEE-2012 was felicitated by the Senators for the excellent report of the JEE 2012.

Item No.45.4: Nomination of two Senate members to the Institute Academic Programme Committee.

The Senate authorized the Director and Chairman, Senate to nominate two senate members to the Institute Academic Programme Committee.

Item No.45.5: Proposal regarding removal of the Master of Technology Project from the Post Graduate Teaching Scheme.

As considered and recommended by the Institute Academic Programme Committee, the Senate decided that the present system of submission of Master of Technology projects be continued. However, the Departments may be authorized to choose between the Seminar and the Project, according to their feasibility, with the condition that the credits of the dropped Seminar or Project will be transferred either to the Dissertation or to the Project. The date of submission of title of the Seminar/ Project will be upto 14th August, each year.

Item No.45.6: Matter of replacing the current system of summer term by re-examination.

The Senate considered the recommendations of the Institute Academic Programme Committee (IAPC) regarding re-examination, and resolved that the summer term shall stand replaced by re-examination with immediate effect. However, during the summer of 2013, the students who are currently in the 2nd or 3rd year of the academic session 2012-13, will be allowed to take admission to the summer term for clearing their backlog of core courses of the 1st year and the 2nd year, respectively. The summer term will be discontinued after the summer of 2013, thereafter, only re-examination shall be permissible.

11 DEC 2012

The Senate further resolved that:

- (a) Re-examination in any course(s) shall be permissible only in the semester(s) in which the course(s) is/are run. Re-examination will be held on pre-designated dates in December/January for the Autumn Semester courses, and in July for the Spring Semester courses.
- (b) Re-examination will be subject to a maximum limit of two courses in a semester. In case a student fails in three or more courses, he/she will have to repeat the courses.
- (c) A student will carry the marks obtained by him/her in the Mid-term Examination, Practical Examination and Sessionals.
- (d) The highest grade that can be awarded in the re-examination shall be 'D'.
- (e) Re-examination will be allowed only if a student has not been disqualified earlier, either due to shortage of attendance or use of unfair means.
- (f) For re-examination, the fee per subject will be Rs.1000/- (Rupees One Thousand only).

Item No.45.7: Scheme of syllabi for the full time Master of Technology programme "Transport Infrastructure System" received from Head, Centre for Transportation Systems (CTRANS).

As considered and recommended by the Institute Academic Programme Committee, the Senate decided as under:

- (a) The name of proposed scheme of Master of Technology programme "Transport Infrastructure Systems" be replaced with "Traffic Infrastructure Systems". The Master of Technology programme be approved in principle.
- (b) The proposal and the scheme of syllabi for the full time Master of Technology programme "Traffic Infrastructure Systems" be re-looked into and placed before the Senate in the month of February 2012 for approval.

11 DEC 2012

Item No.45.8: Academic Calendar of Spring Semester 2012-13.

As considered and recommended by the standing committee, the Senate decided that the Academic Calendar for the Spring Semester 2012-13 as given at **Appendix 'A'** be approved.

Item No.45.9: Matter related to completion of an early end of autumn semester by end of November by conducting one mid-term examination of two hours duration instead of two mid-term examinations each of one hour duration as per Point No.3 of the minutes of the meeting on 17th February 2012 of Placement-in-Charges of all IITs.

As considered and recommended by the Institute Academic Programme Committee, the Senate decided that the mid semester break be dropped from the Academic Calendar. Further, one mid term examination of one and half hour's duration be conducted.

Item No.45.10: Issue related to provide conversion certificate to the students regarding conversion formula of CGPA/SGPA grade into percentage.

The Senate decided that the proposal for providing the certificate to the students regarding the conversion formula of CGPA/SGPA into percentage and vice-versa be not approved.

Item No.45.11: Reporting that the Director and Chairman Senate has approved the following recommendations of the Institute Academic Research Committee for eligibility for admission to Doctor of Philosophy (Ph.D.) Programmes and the same has been implemented for admission to Ph.D. Programmes in Spring Semester 2012-13.

The Senate noted the following:

1. The eligibility for admission to Doctor of Philosophy (Ph.D.) programme for the Master of Technology/ Master of Architecture degree holders: the applicants should have qualified GATE prior to admission to Master of Technology/Master of Architecture or thereafter (GATE score may or may not be valid) or

11 DEC 2012

UGC/CSIR NET wherever applicable besides existing admission eligibility.

This condition shall not be applicable to Sponsored Research Scholars/Part-Time Research Scholars/QIP candidates.

2. In preparation of Merit Index no weightage shall be given to the marks secured by an applicant in High School or Intermediate Examinations. Weightage as follows will be given while preparing Merit Index.

	<u>Marks</u>
(a) Bachelor of Technology or equivalent/ Bachelor of Science	100
(b) Master of Technology/Master of Architecture or equivalent/Master of Science/Master of Philosophy (M.Phil.)	100
(c) Written Test and / or interview	100

Total	300

The above criteria for preparing Merit Index be used for admission from the Spring Semester 2012-2013. Thereafter it may be reviewed and revised, if felt necessary.

3. Qualifications for admission to Doctor of Philosophy (Ph.D.) programme in Electronics and Computer Engineering.
- (a) For admission to Microelectronics and VLSI/RF & Microwave/Communication Systems/System Modelling and Control specializations.
- (i) Master of Engineering/Master of Technology in Microelectronics/VLSI/ Microwaves/ Communication Systems/ Control Systems/ Instrumentation/ Circuits & Systems or equivalent
- (ii) Bachelor of Engineering/Bachelor of Technology in Electronics & Communication/ Electrical Engineering or equivalent.

11 DEC 2012

- (iii) Master of Science in Physics/
Instrumentation/ Electronics.
- (b) For admission to Computer Science &
Engineering specialization.
 - (i) Master of Engineering/Master of Technology
in Information Technology/ Computer
Science & Engineering/Software Engineering
or equivalent.
 - (ii) Bachelor of Engineering/ Bachelor of
Technology in Computer Science &
Engineering/ Information Technology or
equivalent.

Note: Candidate should mention the broad research areas (Communication Systems, Computer Science and Engineering, System Modelling and Control, RE & Microwave Engineering, Microelectronics and VLSI Design) for which he /she wants to apply on his/her application form.

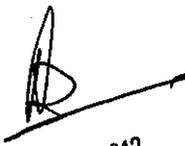

The qualifications for the Quality Improvement Programmes (QIP) candidates shall be the same as above.

4. Qualifications for admission to Doctor of Philosophy (Ph.D.) programme in Earth Sciences Department

Master of Science/ Master of Technology/Master of Technology degree in Geology/ Geophysics/ Applied Geology/ Applied Geophysics / Geological Technology/ Geophysical Technology/ Geosciences/ Applied Geosciences/ Petroleum Geology / Petroleum Geophysics

Item No.45.12: Reporting of resolution of the emergent meeting of the Institute Academic Programme Committee (IAPC) held on 8th August 2012 regarding Clause No.18.2 of the Academic Programmes Ordinances & Regulations 2011.

The Senate noted the resolution of the emergent meeting of the IAPC held on 8th August 2012, that the Clause No.18 (2) of the Academic Programmes Ordinances & Regulations 2011 should not be changed. However, the

11 DEC 2012

students who have failed in one subject can be allowed to avail the facility of one self study course available according to the regulation 24(7) with the condition that this facility will not be allowed further during the programme.

Item No. 45.13: Reporting the issue related to the supervision of Doctor of Philosophy (Ph.D.) students.

The Senate noted that the Director and the Chairman, Senate has approved the following in respect of the supervision of Doctor of Philosophy (Ph.D.) students:

1. All the Doctor of Philosophy (Ph.D.) students, admitted in the Academic Session-July 2012 and onwards, will only have one supervisor for supervising their doctoral work.
2. One faculty member can supervise 04 MHRD students [singly or jointly (in case of registrations prior to July 2012)], w.e.f. Autumn Semester 2012-2013.
3. New Faculty Members (in particular Assistant Professor) on contract for a period of three years or more can also singly supervise doctoral students.
4. In future, joint supervision of a doctoral student can only be considered on case to case basis provided the second supervisor is from the Department/Centre other than the one in which the student is registered. In such a case, strong justification is to be provided by the Department/ Centre, and sent to the Asstt. Registrar (Academic Research) for approval of competent authority.
5. From Autumn Semester 2012-2013 onwards all the faculty members can supervise 12 doctoral students (including 04 MHRD scholars) provided that every faculty member in the department is having at least one research scholar. If even one faculty member is not having any research scholar, then no faculty member can supervise more than 08 doctoral students (including 04 MHRD students).

11 DEC 2012

Item No.45.14: Proposal for the bifurcation of the Department of Electronics & Computer Engineering into two separate Departments.

The Senate recommended that the bifurcation of the present Department of Electronics and Computer Engineering into two separate departments, as under be placed before the Board of Governors for consideration:

- (a) Department of Electronics and Communication Engineering.
- (b) Department of Computer Science & Engineering.

Item No.45.15: Evaluation procedure of the Master of Technology Dissertations.

As considered and recommended by the IAPC, the Senate decided that the existing three stages of evaluation of the Master of Technology Dissertations be replaced with two stages evaluation i.e., 25% upto 15th March and 75% upto 30th June.

Item No.45.16: New Institute Elective courses IBM-06 (Marketing Research) & IBM-07 (Quality Management) of Department of Management Studies under HSSMEC category.

As considered and recommended by the Institute Academic Programme Committee, the Senate decided that the new Institute Elective courses IBM-06 (Marketing Research) & IBM-07 (Quality Management) of Department of Management Studies under HSSMEC category as given at **Appendices 'B' and 'C'**) be approved. The said new Institute Elective courses be floated in the Spring Semester 2012-13.

Item No. 45.17: To consider general guidelines for awarding grades based on Absolute Marks System and Statistical Method as placed at Appendix-B1 and B2 of Academic Programmes Ordinances & Regulations of Under Graduate and Post Graduate Programmes.

The Senate considered the recommendations of the Institute Academic Programmes Committee. After due deliberation, the Senate approved the deletion of Clause Nos. (vi) and (vii) and Note (2) of Appendix -B1 on page 33 of the Ordinances & Regulations for the Academic Programmes for

Bachelor of Technology, Bachelor of Architecture, Integrated Dual Degree, Integrated Master of Technology and Integrated Master of Science Programmes and pages 25,26 of the Ordinances and Regulations for the Post Graduate Programmes, respectively. The aforesaid changes have been incorporated in **Appendices 'D' & 'E'**, respectively.

Item No.45.18: Change in the existing qualifications for admission to Programmes of the Department of Chemical Engineering.

The matter be referred back to the Department of Chemical Engineering for specifying the reasons for the change.

Item No.45.19: Eligibility qualification for admission to Doctor of Philosophy (Ph.D.) program in Architecture & Planning and the Metallurgical and Materials Engineering Department as recommended by the Institute Academic Research Committee in its meeting held on 25th October 2012.

As considered and recommended by the Institute Academic Research Committee, the Senate decided that the eligibility qualification for admission to Doctor of Philosophy (Ph.D.) programme in the Department of Architecture & Planning and the Metallurgical & Materials Engineering be approved as under:

(A) Architecture and Planning:

Master's degree in Architecture in any of the specializations offered by recognized Institutions of Architecture/ Master's degree in Building Science/ Technology with a Bachelor's degree in Architecture/ Master's degree in Planning in any of the specialisations offered by the recognised Institutions of Planning with a Bachelor's degree in either Architecture or Planning (B. Planning) or Civil Engineering.

(B) Metallurgical and Materials Engineering:

Bachelor of Technology/Master of Technology or equivalent relate to the following disciplines:

Metallurgical Engineering, Materials Engineering, Nanotechnology, Engineering Physics, Engineering Chemistry, Ceramics, Polymers, Corrosion, Mechanical,

Production & Industrial Engineering, Chemical Engineering and Electrochemical Engineering.

OR

1. Master of Science degree in Physics, Chemistry, Materials Science.
2. Candidates with a Master of Science degree, Mathematics as a subject at the Bachelor of Science degree level is an essential requirement.

NOTE: Candidates having a degree in Industrial Engineering only, shall not be eligible for admission to the Doctor of Philosophy (Ph.D.) programme in the Department of Metallurgical and Materials Engineering.

Item No.45.20: Reporting that the Director and Chairman Senate has approved the following additions/deletion to Clause R-22 of the Doctor of Philosophy (Ph.D.) regulations concerning supervision of Doctor of Philosophy (Ph.D.) students of other institutes.

The Senate noted as under:

Additions

1. The candidate must be a faculty member of the College/Institution with at least two year experience as a regular teacher there or should be an employee of a research development organization/Academic Institute or any other organization deemed to be appropriate by the institute with similar experience.
2. The Institute/organization in which the candidate is working should be in existence at least for a 10 years period & should have the minimum required research facilities.
3. Not more than one faculty will be allowed to supervise the work of a candidate and any faculty member shall have only one candidate from outside IITR to supervise at a time.
4. The candidate (Research Scholars) must possess at least 70% marks in the qualifying degree i.e. Master of Science/ Master of Technology/Master of Engineering / Master of Architecture/Master of Computer Applications / Master of Business Administration etc.

For Master of Arts the minimum marks shall be 55%.

11 DEC 2012

5. Details about the candidate & the institution where the candidate will be doing the research work be obtained in the attached Performa.

Deletion Clause No. R-22 (g) :

If the external candidate wishes to avail the facilities at Indian Institute of Technology Roorkee, he/she shall register as a casual student for a period not exceeding six months by paying the same tuition fee as is being charged from the research students /candidates of Indian Institute of Technology Roorkee, as per the extant rules and regulations.

NOTE: The existing clause R.22(d) that "The total number of such externally enrolled Ph.D. students under any faculty member of the Indian Institute of Technology Roorkee, should not be more than 2(two) at any point of time" will get replaced with clause 3 above.

Item No.45.21: Reporting of the case of Mr. Sandeep Gudapati, a student of Bachelor of Technology (Computer Science & Engineering), Enrolment No.060809 regarding the completion of course requirement for award of Bachelor of Technology degree.

The Senate noted the under-mentioned decision of the competent authority regarding the completion of course requirement for award of Bachelor of Technology degree to Mr. Sandeep Gudapati, a student of Bachelor of Technology (Computer Science & Engineering):

"Since there is no equivalent courses for MA-201 and IC-201 and the equivalent of IC-205 was proposed as EE-305 but not approved by Senate; this student can be considered to have completed his course work for award of degree".

Item No. 45.22: Case of Mr. Kolakaluri Suresh (Enr. No. 08120024), Bachelor of Technology, Pulp & Paper who has violated the Institute orders.

After lengthy discussion, the Senate decided that all the cleared registered 31 credits of Mr. Kolakaluri Suresh be retained.

11 DEC 2012

Further decided that a committee consisting of Dean Academic Studies, Dean of Students Welfare and Prof. Manoj Arora to identify the shortcomings and suggest systemic solutions there of.

Item No 45.23: Reporting of letter F.No. 19-3/2009-TS.I dated 18th December 2009 of Director, Department of Higher Education, Ministry of Human Resource Development, Technical Section-1, New Delhi regarding revision of Merit-cum-Means (MCM) Scholarship.

The Senate **noted** the letter F.No. 19-3/2009-TS.I dated 18th December 2009 of the Director, Department of Higher Education, Ministry of Human Resource Development, New Delhi that the Council of IITs in its 40th meeting held on 19th October 2009 has raised the parental annual income limit to Rs.4.50 lakhs per annum for Merit-cum-Means (MCM) Scholarship w.e.f. the date of issue of the said letter. However, the amount of the Scholarship was not raised by the Council of IITs.

The meeting ended with a vote of thanks to the Chair.

General Guidelines for the Award of Grades

The following are the general guidelines for the award of grades:

- (i) All evaluations of different components of a course shall be done in marks for each student.
- (ii) The marks of various components shall be reduced to approved weights (as decided by the DFC/CFC) and/or indicated in the scheme of Teaching and Examination and added to get total marks secured on a 100-points scale. The rounding off shall be done only once and on the higher side.
- (iii) For less than 30 students in a course, the grades shall be awarded on the basis of natural cut-off in the absolute marks (Appendix- B1).
- (iv) For 30 or more than 30 students in a course, the statistical method shall be used for the award of grades with or without marginal adjustment for natural cut-off. The salient features of statistical method are given in Appendix-B2.
- (v) The overall distribution of different grades shall be as indicated in the statistical distribution to the extent possible. (Appendix-B2)
- (vi) The overall distribution of different grades shall be as indicated in the statistical distribution to the extent possible. (Appendix-B1).
- (vii) The provisional grades shall be awarded by the Coordination Committee of the course consisting of all the teachers involved in that course. The Course Coordinator shall have full responsibility for this purpose.
- (viii) The grades so awarded shall be moderated by a Grade Moderation Committee of a Department/ Academic Centre. This committee will finalize the grades and display a copy of the grades awarded on the Notice Board of the Department/ Centre. The grades should be finalized and displayed as per the academic calendar. All the final grades shall be communicated to the Academic Section within seven days from the last date of the End Term Examination. The Chairman, Grade Moderation Committee shall retain the records of all the marks and grades and shall send one copy of all records to the Chairman, DAC.
- (ix) For a student to get passing grade, he/she will have to appear in End-Term Examination.
- (x) The procedures for evaluation and award of grades for project, training, seminar, group discussion, and comprehensive viva-voce shall be as given in the Appendix E1-E5 of Regulations for the UG, IDD, and IMD programmes.
- (xi) For Dissertation, each student will be evaluated individually and the grades shall be awarded on the basis of absolute marks (Appendix B-1). The Dissertation shall be presented before a Examination Board for evaluation, as per procedure given in Appendix -E6
