

ANRF-2856-CED-TSAH/25-26

SRIC/06

INDIAN INSTITUTE OF TECHNOLOGY, ROORKEE
(Civil Engineering Department)

Dated: 29 August, 2026

ADVERTISEMENT TO FILLED UP PROJECT POSITION

Application are invited from Indian national only for the project position as per the details given below for the research project under the Principal Investigator (Prof. Prakhar Misra), and co-PI (Prof. A. A. Kazmi) Civil Engineering Department, Indian Institute of Technology, Roorkee.

1. Title of project: **Developing a Scalable High-resolution Methane Emission Assessment Framework using UAV sensing, Satellite measurement and Modelling approaches for MSW Landfills**
2. Sponsor of the project: **Anusandhan National Research Foundation (ANRF)**
3. Project position and number: **JRF (1 position)**
4. Qualifications: **M.Tech/M.E./M.Sc. (with math courses at Bachelor's level) in Civil Engineering/ Remote Sensing & GIS/Environmental Engineering/ Atmospheric science or equivalent.** Preference will be given to candidates with education from CFTI, possessing a GATE score, satellite remote sensing, UAV flying and processing, inverse modeling for emission inventories, air quality research and programing experience.
5. Emolument: Rs.37,000 + HRA as per institute norms
6. Duration: Until March 15, 2029 or when the project ends.
7. Job description: Mapping and estimating methane emissions over landfills and dumpsites using UAV based CH₄ and thermal sensors, EMIT and TROPOMI satellite sensors and IPCC and LandGEM models. Assess landfill gas to energy potential and its life cycle assessment and co-benefits. Contribute to field-data collection, report writing, and research publications.

Kindly Note:

1. Candidates shall ensure that they are eligible for the position they intend to apply.
2. Candidates desiring to shortlisting should submit **online form** <https://forms.gle/nHx9r8jfVLBL3T6q6>
3. **Email cover letter and CV (including contact of 1 reference) with subject: ANRFCH4-JRF-[your name]**
Produce when required the following:
 - Application with detailed CV including chronological discipline of degree/certificates obtained.
 - Experience including research. industrial field and others.
 - Attested copies of degree/certificate and experience certificate.
4. Candidate shall bring original degree(s)/certificate(s) and experience certificate(s) for joining-verification.
5. Preference will be given to SC/ST candidates on equal qualifications and experience.
6. No TA/DA is admissible for attending the interview.
7. Last date for application to be submitted to the Principal Investigator is **15 September 2026, by 5 PM.**
8. Only shortlisted candidates will be notified about the interview date via email at a later date.
9. **Selected candidate may get an opportunity for PhD admission.**
