				FROM	TO
1					
2					
3					
4					

14 Trainings Attended:

15 Whether currently employed: Yes/No

16 Experience of working in water resources project and hydrological data collection projects:

17 Agreeing to be posted in the field: Yes/No

UNDERTAKING

I understand that it is a contractual engagement on purely temporary basis for the Project. I certify that the information furnished above is true and correct to the best of my knowledge. I understand that action can be taken against me if these are found to be incorrect.

I also understand that this job requires lots of field data collection under harsh climatic and terrain conditions. I have both willingness and physical fitness to do the field work during the project term.
