

A.B.N. SENIOR SECONDARY SCHOOL

IIT CAMPUS ROORKEE

Celebrating Service in Education Since 1956

Prospectus

*A Meaningful life is not about being rich,
being popular, being highly educated or being perfect....
it is about being real, being humble,
being strong and being able to share ourselves
and touch the lives of others.*

Message to Prospective Parent

**ABILITIES MAY VARY BUT THE DESIRE TO REACH OUR
POTENTIAL IS ESSENTIAL TO SUCCESS.....**

Dear Scholars,

In this era of uncertainties , when the world is full of facts and figures, a jargon of infinite noughts and crosses, groping and finding the essence of our being is an endeavour that all our pursuits should aim for.

The ethos of education is unravelling the core talents that lie within each of us. Till the day we achieve that, we remain restless, hence, the quest is always on.

ABN SR SEC School, Roorkee is an Institute with such growing aspirations in the form of young scholars bubbling with the wealth of future readiness inside. The collective effort of the Management and the Faculty will always be to coagulate such aspirations to lead the future generation ahead and vice-versa.

Very apt to quote here... "The Child is Father of the Man" by William Wordsworth.

Wish everyone a happy life

Mission

Adarsh Bal Niketan provides all round education to develop a sound mind, a robust physique and strong moral values. As an educational institution located within the campus of The Indian Institute of Technology (formerly, University of Roorkee), it strives for excellence while upholding the highest secular values enshrined in our Constitution. Over the last many years, ABN has striven to produce citizens who serve the best interests of the Nation in various walks of life and society.

History

The institution was founded as a kindergarten school on the auspicious day of Gandhi Jayanti (October 2, 1956) under the stewardship of Mrs. Sushila Khosla. From very humble beginnings and with the motivation to provide formal education to the labourer's children, the school quickly became an institution of choice for Roorkee-ites.

In 1986, the CBSE affiliated school upgraded to a senior secondary school and continues to set new bench marks for others to follow. The students who have graduated from the school over the years have made the school proud by excelling in various walks of life, both in India and abroad.

The ABN family warmly invites you to join us and find your unique place among us.

IIT Involvement

The biggest asset of the school is its very close association with IIT Roorkee. The IIT faculty who have a passion for excellence in teaching have often come forward to voluntarily share their knowledge. IIT Faculty also share their expertise in workshops organised to improve teaching methodology. Students of ABN have the advantage of practical learning through school trips to the various departments of IIT Roorkee.

Academics

Adarsh Bal Niketan runs classes from LKG to Class XII with the CBSE prescribed syllabus. Admission to higher classes is on the basis of an entrance test and/or board results. The school combines extra and co-curricular activities at all levels to encourage all round development of the child. When called upon, IIT faculty members share their expertise and special knowledge with students and teachers. Every effort is made to follow best practices in teaching methodology to show effective assimilation of knowledge.

Two streams are offered to the students at the higher secondary level. In addition, a wide range of Skill Development subjects have been introduced in the year 2019 for students to choose from as per their field of interest.

Science Stream: Compulsory subjects: English, Physics, Chemistry, Mathematics/ Biology.

Commerce Stream: Compulsory subjects: English, Business Studies, Accountancy, Economics.

Other Electives : Vocational/Skill subjects: /Artificial Intelligence / Physical Education.

Sports & Extra-curricular

Holistic education includes giving the child opportunities to blossom in areas of their own specific interests. Music, drama, public speaking and sports are part of our school's regimen.

The school organises different extra-curricular activities and competitions throughout the academic session both at the senior secondary and primary level. Children are encouraged to try their hand at art and craft, music and dance to explore their creativity in all forms. Innovative competitions allow children to develop traditional and artistic acumen while upholding time tested traditional values. Oratory and science knowledge is fostered through debates and quiz competitions.

Adarsh Bal Niketan also has an indoor badminton court, outdoor basketball court and a volleyball court. The facilities of IIT Roorkee are generously available to the school to conduct various inter school activities on a larger scale.

School Infrastructure

Library : The Library has a very rich collection of over 10, 000 volumes which also include encyclopaedias, journals and magazines. The volumes cover a wide range of topics on children's interests including popular literature, fiction, biography, general knowledge etc.

Science Laboratories: Adarsh Bal Niketan has well equipped Science Laboratories. IIT faculty members provide technical assistance and ensure that the best and latest facilities are available to the students. It is our aim to reduce the gap between theoretical learning and application.

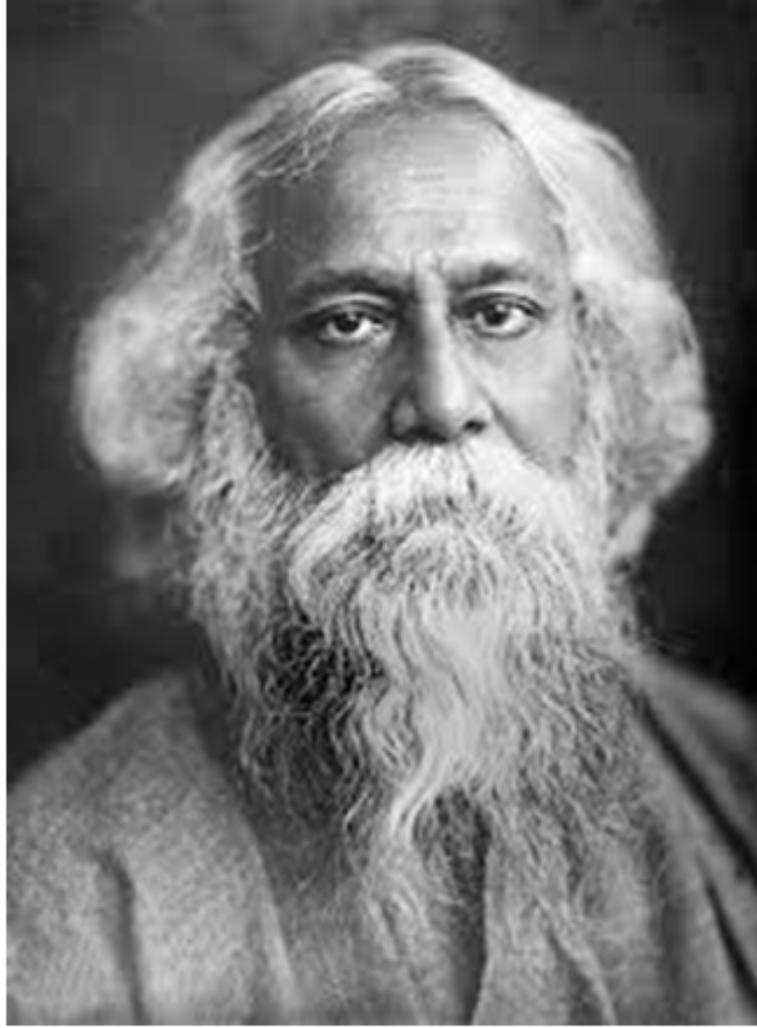

Computer Centre: Our aim at Adarsh Bal Niketan is to bridge the digital divide and help students build their ICT skills. The Computer Centre at ABN is an extension of real-world learning. High speed internet access is available to the school via the IIT Institute Computer Centre.

Glimpses of The Campus

*Where the mind is without fear and the head is held high;
Where knowledge is free;
Where the world has not been broken up into fragments by narrow domestic walls;
Where words come out from the depth of truth;
Where tireless striving stretches its arms towards perfection;
Where the clear stream of reason has not lost its way into the dreary desert sand of dead habit;
Where the mind is led forward by thee into ever-widening thought and action
Into that heaven of freedom, my Father, let my country awake....*

~ Ravindranath Tagore
