

## Cognitive States EEG Dataset

Dear Researcher,

Thank you for your interest in our Cognitive States EEG dataset. This dataset has been meticulously collected and curated for the research community to support studies in workload, attention, and fatigue classification using EEG data. We encourage its use for academic and research purposes.

### How to Access the Dataset:

To gain access to the data, please follow these steps:

1. Provide the contact information requested in the form and your consent to use the dataset under the terms and conditions outlined below by filling out the below form.
2. After completing all the details in the form, email the completed form to [partha@iitr.ac.in](mailto:partha@iitr.ac.in)

We will reply promptly to access the data once the form is reviewed and accepted.

### Term and Conditions:

The Cognitive States EEG dataset is offered free and without restriction, provided that you adhere to the following conditions:

- **Acknowledgment:** You must acknowledge the provider of this dataset by citing the publication listed below:
  - Panwar, N., Pandey, V., & Roy, P. P. (2024). EEG-CogNet: A deep learning framework for cognitive state assessment using EEG brain connectivity. *Biomedical Signal Processing and Control*, 98, 106770.
- **Data Sharing:** You are not permitted to release or redistribute the dataset to any third party. If someone else is interested in accessing the data, please direct them to contact us directly at [partha@cs.iitr.ac.in](mailto:partha@cs.iitr.ac.in).
- **Anonymity:** You agree not to attempt to re-identify the subjects who have been anonymized in this dataset.
- **Ethical Use:** The dataset is provided for research and technology development purposes only. Researchers must not use the data for any malicious activities beyond these classifications.
- **Data Deletion:** Once you have completed your research, you agree to delete the dataset from all computer systems.
- **Consent:** By submitting the Access Request Form, you consent to use the dataset under these terms and conditions and agree to comply with all requirements listed.

### Contact Information

If you have any questions or require further assistance, please contact us at [partha@cs.iitr.ac.in](mailto:partha@cs.iitr.ac.in).

Thank you for respecting these terms and for contributing to the advancement of EEG research.
